Court Mandate Places Party's Name On Ballot

Liberty Party to Be Listed At Primaries On August 30

Members of the Liberty party in Torrance are rejoicing over the fact that the party's name is to appear on the ballot at the August 30 primaries, as Registrar of Voters W. M. Kerr prepared to carry out a court order issued last week. A writ of mandate was granted A. R. Blanton and others to compel Kerr to place the party's name on the ballot and to disregard certain technicalities in the petitions filed last May.

Names of more than 15,000 registered voters in the county appeared on the petitions. It was necessary to have 14,449 valid signatures to place the party's name on the ballot. The Liberty party's petition contained in excess of the 14,449 names, but had other technical faults, Kerr said, and refused to certify it, saying he would stand upon the statutes. Incidentally, the cost of printing the extra ballot is considerable, it was pointed out by politicians.

Blanton and Andrea B. Nordskog, the party's presidential candidate, asked the superior court for a writ of mandate to compel Kerr to certify the names, and this was granted.

Delay Award On Figueroa Street Contract July 1

Board to Reallocate Funds For Improvement As Fiscal Year Begins

Probability that contract for the improvement of Figueroa street between 185th and 153rd street will not be awarded until after July 1 was seen today in the contents of a report of the board of public works on file today at the Los Angeles city hall.

The report states that the county board of supervisors has agreed to reallocate \$131,762 after July 1. It is explained that the supervisors some months ago allocated \$65,881 from the special road improvement fund and a like amount from the good roads fund.

Under date of October 8, 1931, the city council, badly in need of funds to aid the opening and widening of Third street in downtown Los Angeles, allocated the \$131,762 and other moneys to that project, holding up the Figueroa street project.

That the money will be forthcoming, no one seems to doubt. July 1 is the beginning of the new fiscal year for both the county and the city. It is pointed out that the project will provide work for a number of unemployed men in the southern part of the county.

Elimination of the curve in Figueroa street at 182nd street will cost \$1158, that amount having been allocated separately, the report states.

Inquiries at the board of public works today, revealed that a "special report of the city engineer" is being awaited before the contract is awarded. The report will state whether the low bid is reasonable, and this is assured, as the bid is some 10 per cent below the engineer's estimate.

The J. H. McLain company was the low bidder on all four alternate plans of doing the work. The figures were \$74,520, \$77,132, \$80,553 and \$82,165. Storm drains or culverts at 162nd and 166th streets are the optional features.

Other bidders on the job, some above bid as high as \$102,530 on the job the McLain company offers to do for \$83,165, were George Oswald, the Griffith Company, Los Angeles Paving Company, Ed Johnson and Sons, John Pappas, John Topich, George Curtis Paving Company, United Concrete Pipe Company, Cambell-Reichert, Bob Bosko and P. J. Akmadzich.

Efforts are being made by the county to obtain dedications for the right-of-way for the extension of Figueroa street beyond 190th street. It is hoped to be able to obtain dedications as far south as Wilmington-San Pedro road, which would provide a direct roadway to the harbor. Two right-of-way men from the county surveyor's office called on property owners in the area southeast of Torrance several days ago.

State Department Revokes License

SACRAMENTO.—Revocation of the license of Neal F. Blaine, Lomita, Los Angeles county, civil engineer, was announced today by the state board of registration for civil engineers, and confirmed by Colonel Carlos W. Huntington, director of the state department of professional and vocational standards.

Blaine was accused of misrepresentation in obtaining his engineer's license, according to Pecos H. Calhoun, assistant secretary of the board, who asserted that Blaine represented himself as being a university graduate, but that investigation disclosed he had never attended the university.

Blaine admitted the charge and waived formal hearing.

Three Candidates Seek Nomination As Congressman

Charles J. Colden, San Pedro, has filed as a candidate for congress from the seventeenth district, embracing the Torrance area. He gave his political affiliation as a Democrat, and said he was retired.

A. E. Henning of San Pedro, Los Angeles city councilman from the fifteenth (harbor) district, also has filed his nominating petition with the county registrar of voters. His petition reads Republican.

Dr. Allan C. Van Velzer of Gardena, a Democrat, filed as a Democratic candidate.
